100XL

TRUCK CAPS

Our caps are built to protect your cargo and give you as much space as you need, no matter your lifestyle. And now more than ever, it's easy to find just the right cap for you. In fact, it's as easy as 1...2....3:

1. Determine the cap height that meets your needs.
2. Find the cap model that fits and looks best with your truck.
3. Decide on the trim level that offers you the features you want.

This is our industry-exclusive approach to purchasing a truck cap. The goal is to make the buying process simple and enjoyable. Whether you're off on a kayaking trip, heading to the next worksite, or transforming your truck bed into a cozy ride for your dog, we've got the right truck cap for you.

CAB-HIGH TRUCK CAPS

Our sleek, yet durable cab-high caps help you get the most out of your truck, whether you're headed to the job site or campsite. What's more, they protect your gear from the elements and keep it safe thanks to secure features. With several different models and trim levels meant to fit your lifestyle, LEER Caps are engineered to maximize space and optimize organization.

Our 100 models come standard* with the following features:

- Custom Fit
- Automotive Paint
- Insulated Roof
- Recessed Third Brake Light (LED Clear Lens)
- Gas Door Prop
- Fiberglass Base Rails
- Lifetime Limited Warranty
- Integrated Fuse Box
- J-Bolt Installation Clamps (excludes 100S)
- Installation Bulb Seal (excludes 100S)

** Additional Standards and Features are included based on Model and Trim Level.*

*** 100XQ Sport is a custom order only product and may have additional standards and features based on Model and Trim Level.*

100XQ SPORT

100XQ Sport (Custom Order Only)

100XQ

Whatever the weekend brings, the 100XQ is ready for the adventure. This stylish cap offers integrated, one-piece side windows. The 100XQ is perfect for the truck owner looking to make the most out of every moment – whether that means catching a wave or the big game.

100XQ

INDUSTRY EXCLUSIVE - JEEP® GLADIATOR 100XQ

- Matte black textured finish to match traditional Jeep hard top or custom paint finish
- Insulated Roof

100XQ (Trim Level 2)

CAB-HIGH TRUCK CAPS

100XL

Looking to adapt to what life throws your way? The 100XL helps you move comfortably through life with the standard Frame Flipper window with screens, designed for quick and easy access to ventilate your truck cap. Ideal for pets and airing out sports gear.

100XL (Trim Level 1)

100XR (Trim Level 2)

100XR

We know that truck owners may wear many hats, and the 100XR goes from work to play. The window options provide a secure, tight seal to protect from the elements when closed or great ventilation for pets or activities such as overnight camping when open.

CAB-HIGH TRUCK CAPS

100R

Working on a home-remodeling project? Perhaps you're headed out-of-town to the next tournament, either way, the hardworking 100R has you covered. With standard tinted side and rear glass windows and an insulated roof to keep things safe and secure, the 100R is ready for whatever you have in mind.

* The BEDSLIDE accessory is sold separately.

100R (Trim Level 1)

100S (Trim Level 1)

100S

COMING SOON

Check LEER.com for availability.

Organization and security without a hefty price tag. The 100S offers big value for a smaller budget. This cap is perfect for the small business owner, the once-in-awhile handyman or the family errand-runner.

MID-RISE TRUCK CAP

Our mid-rise caps are with you for the long and the large haul. With 15% more space in your truck bed than a cab-high model, you can pack your mid-rise cap with large loads and still have room to spare.

180

TONNEAUS

FIBERGLASS

Our tonneaus are designed to securely cover your gear no matter what you're hauling. Versatile and durable, they come in four styles with multiple configurations and signature features like our exclusive **CYNC™ latching system**, which lets you open and close the cover with one hand from either side.

TONNEAU COVER STANDARD FEATURES

FIBERGLASS

- Custom-fit design with a four-bar hinge for better fit
- Easy-to-open LEER SuperLift System
- No-drill installation

ROLLING AND FOLDING

- LEER's exclusive **CYNC™ latching system** allows easy opening of the cover with one hand from either side
- No-drill design for one-person install

RETRACTABLE

- Built-in pull strap for ease of use
- Removable canister for full bed access

ROLLING

SR250

FOLDING

HF350M

RETRACTABLE

Ricochet

FIBERGLASS TONNEAUS

For ultimate security and weather-resistant protection, choose one of our color-matched fiberglass tonneaus. You'll have peace of mind about what's in the bed, everywhere you go.

750 *SPORT*

- Keyless remote for easy access
- Interior 12V LED adjustable 20" tube light with gas prop switch
- Matches unique truck brand styling

700

- Standard interior headliner
- Inside release for extra security

550

- Center-mounted twist handle
- Trimless, finished edges

SR250

ROLLING TONNEAUS

Need full access to your bed, fast? With one of our rolling tonneaus, all you have to do is roll the seamless vinyl from the tailgate to the back of the cab. Plus, it comes equipped with our exclusive **CYNC™ latching system** that allows easy opening of the cover with one hand from either side of the truck bed.

SR250

- Lightweight design gives full access to the bed
- Excellent water management with beveled edges

LEER'S EXCLUSIVE CYNC™ LATCHING SYSTEM

FOLDING TONNEAUS

With one of our folding tonneaus, getting to your gear is as easy as 1-2-3. Whether you choose a soft or hard model, all you have to do is fold and unfold to open and seal your cargo. What's more, all of our folding models come equipped with our exclusive **CYNC™ latching system**.

HF650M

HARD FOLDING

- Four-paneled cover that opens more than the competition
- Thinner rails and low-profile latches that allow for more cargo space
- Superior water management system requiring no drain tubes

HF350M

HARD FOLDING

- Hard surface panels and tether strap for enhanced security
- Superior water management system requiring no drain tubes

FOLDING TONNEAUS

LATITUDE™

SOFT FOLDING

- Double-coated, commercial-grade reinforced vinyl with rounded corners and double-stitching for strength and a custom fit
- Self-tensioning frame system keeps the cover taut

RICOCHET

RETRACTABLE TONNEAUS

RICOCHET XRT

- Heavy-gauge, extruded aluminum panels with a tough, black matte surface

RICOCHET

- Soft cover design with tough aluminum understructure

Both Ricochet and Ricochet XRT are made to order and feature full rear visibility with easy installation requiring only a Phillips screwdriver and 7/16" wrench.

BEDSLIDE®

When it comes to accessing the equipment in your truck bed, LEER makes it as simple as possible with BEDSLIDE. The ultimate LEER cap and tonneau accessory for heavy-duty work or serious play, BEDSLIDE turns your truck bed into an easy-access sliding drawer, making it easier and safer than ever to load and unload. BEDSLIDE comes in three weight capacities to handle whatever you're hauling.

LEER GEAR

We've created specialized gear you can use to take care of the truck you love. With gear including an off-road recovery kit, a cargo caddy, and a rooftop tent, you can get ready for any adventure of your choosing.

RECOVERY KIT BY BUBBA ROPE®

• Pull your truck out of mud, sand, or snow with this heavy-duty, double-braided nylon rope developed for the US military

DUFFLE

• Huge capacity bag can be carried as a duffle bag or worn as a backpack. All straps are padded and fully adjustable. Can be changed from 120-liter capacity to 80-liter capacity with a quick zip. Wide access top with sturdy zipper has 1" flange over zipper that further protects from moisture.

FLASHLIGHT

• Light but sturdy, this rechargeable flashlight comes with one 18650 rechargeable battery and battery charger. Can also be powered by two single-uses CR123A batteries (not included).

DETAILING SPRAYS

• Cleaners and protectants keep your Leer caps and tonneaus free of dirt and grime
• Tonneau Cover Cleaner, Tonneau Cover Protectant, and Truck Cap Protectant

ROOFTOP TENT

- Up to three people can sleep in this water-resistant tent complete with sky panels, mosquito screens, and a high-density foam mattress
- Compatible with most LEER caps

25 QT. COOLER

- This ultra-sturdy cooler with an interior divider keeps food cold for up to 132 hours and is designed with a lid that easily opens in tight spaces

CARGO CADDY

- This easy-to-carry caddy has three adjustable compartments, two removable subdividers, and 13 pockets you can configure to fit your needs whether you're camping or transporting tools

COMMERCIAL

Built for years of use, our commercial caps are the perfect partner for your truck. Get the job done with extensive storage options, security features, and more. Learn more about available models and customizable storage options at LEER.com.

ALUMINUM

DCC-MT3

- Increased customization with modular toolboxes, adjustable shelves, dividers, and attachment features

DCC

- Deluxe Commercial Cap custom-built with multiple heights, door and window options, and storage configurations

FIBERGLASS

100RCC

- Added durability with recessed framed door and double T-handle locks
- Cab-high model

180CC

- 15% more space due to mid-rise design
